

ALLEGRO RECOMMENDED APPS FITNESS

NIKE RUN CLUB*

Nike Run Club is a personalized running coach in your pocket. Using an algorithm, NRC customizes a running plan specifically for you.

SWORKIT*

SworKit eliminates the excuse of "not enough time" by allowing you to choose how much time you have to workout, and catering a workout specific to your time constraints.

SWEATCOIN*

Sweatcoin allows you to earn "coins" for steps taken outside. You can cash in your coins for free products, subscriptions and even money!

STRAVA*

Strava is the social networking app for workouts. Strava allows you to connect with friends through running and cycling.

AAPTIV*

Aaptiv is like a personal trainer in your pocket, giving you a specific workout program specific to your goals

DAILY BURN*

Daily Burn is a group exercise studio in your pocket, offering you hundreds of exercise programs from your TV, phone or tablet.
